

Our rule of four saves you time and resources.

1

EASY INSTALLS

CFG faucets **save 10 minutes on every install.*** In-person and online training gives you confidence to do it right the first time.

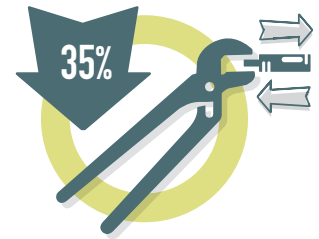

COMPETITORS

2

SIMPLE MAINTENANCE

CFG **cartridges require 35% fewer replacements.*** Standardized parts make repairs more efficient.

3

AVAILABLE PARTS

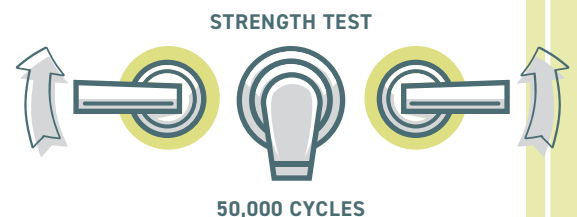

Quickly source parts through our **nationwide wholesaler network** – or in the preloaded, no-charge parts toolbox we offer at the completion of your project.

4

LONG-TERM DURABILITY

Buy with confidence, knowing that CFG faucets are **tested tough** and backed by the **industry's most comprehensive 10-year warranty.**

We're committed to creating a better customer experience too.

Our knowledgeable, Moen and CFG direct sales team offers unmatched service and expertise whenever and wherever you need it.
